Dear Councillor Fitzpatrick,

I refer to your transport related service request regarding Traffic Calming at the above location.

I wish to inform you that the Transport Advisory Group, at its meeting of 28/01/2020, reported that Oxmantown Road is being traffic calmed as part of our package 6 Capital Works programme; the works are anticipated to commence in the coming weeks and are going to take the form of buildouts with planting and cycle stands incorporated into the design.

Yours sincerely,

Martina Halpin
